

The Grapevine

President's Message

Happy September, Grape Stompers!

This is a big month for our class members. They'll spend the first four Tuesdays of the month honing their mainstream skills in anticipation of their graduation, so please make plans to come dance with them and help them celebrate their graduation on Tuesday, September 27.

September also marks the beginning of our fall social events. Twenty Grape Stompers will be attending West Side Story at the Temecula Theater on September 8. Work is in progress for our October event, so watch for future emails. Also, Sunday afternoon, November 13, should be reserved for our Fun Day at the home of John and Linda Boman. It will be a great time to socialize, enjoy competitive games, and discover lots of tasty food.

September also brings a change in venue for our club dances. Because the CRC is undergoing renovation, all dances for the remainder of 2022 will be held at the original Temecula Community Center at the south end of Old Town (See the flyer on page 4 for full details). The Grape Stomp will be a great dance with Don Schadt from Simi Valley calling. If you haven't had the opportunity to dance with Don, you're in for a fun time. Rey Garza will return as our cuer and add to the fun as he always does, while the line dancers will dance in the center of the hall.

Our official visitation will be to the Sandpipers on September 24 with Pat Carnathan calling. We're also hoping to have several carpools going to the Thunderbirds in Apple Valley on September 10 with David and Dawn Mee. The Thunderbirds have been supporting us at every dance, so I hope we can return the favor.

Happy dancing!

Agnes
